

Guided visits to Villa Tugendhat

The conference organizers have negotiated a group booking for a visit to the famous Villa Tugendhat, a recently reconstructed masterpiece of pre-war Functionalist architecture and a UNESCO monument.

It is possible to visit the villa at the following dates and times:

16.30 (in English)

Saturday 7 February

14.00 (in English)

You can make your booking by sending an email to info@tugendhat.eu or by phone at +420 515 511 017 (no later than 30 January 2015, please write “February Conference” in the subject line, then specify number of tickets, your name, date and time + any questions). You will be able to purchase the tickets at the entrance at the time of your visit. The guided tour takes 90 minutes (this is the “extended tour” covering all three floors). To qualify for the discounted price of CZK 210 (approximately 8 EUR), instead of the regular price of CZK 350, please show your ITIC card (or some other proof of your teacher status) when paying for the entrance ticket.

Please note that places are limited, so we recommend booking your place as soon as possible – the villa is definitely worth the visit!
